

Jump in before it's too late!

Audubon Arizona/The Arizona Game and Fish Department Wildlife Constituency Forum

Saturday, May 2nd, 1-4PM
Nina Mason Pulliam Rio Salado Audubon Center
(3131 S. Central Avenue, Phoenix, AZ 85040)

The Nongame and Endangered Wildlife Program at Arizona Game and Fish is seeking better interaction with Arizonan's who share a passion for nongame wildlife in the State.

This first meeting is to set the framework for forming consistent communication channels with conservation partners in Arizona and to explore opportunities for better and more frequent collaboration.

Please join us for this important meeting and help make sure WRAN's voice is part of the discussion.

(See reverse side for additional contact information and the day's agenda)

Sincerely,

The Western Rivers Action Network Team
